## Rental Policy

The Board hereby adopts the following minimum guidelines for all Owner Rentals in the Bigfork Village Resort and R.V. Park Condominium here by referred to as the Bigfork Motorcoach Resort. Lots advertised for rent must be the legal property of the person offering the rental or their contracted legal representative.

**Length of Stay;** The resort will have a minimum stay requirement of seven (7) days for all rentals. If rental tenant departs prior to the booked required minimum stay, seven days (7), said lot may not be used or rented by another tenant until the prior required minimum seven-day period expires.

**Rental Fee:** A Rental Fee of one hundred forty dollars (\$140) will be assessed for each rental in the Resort. The fee is applied on a per stay basis, payable to the Bigfork Motor Coach Resort by the guest. Rental Fee will be collected by the Rental Owner or Owners Representative, paid monthly to the Bigfork Motorcoach Resort. ....

**Guest Arrival at Resort;** Due to the design and the difficult nature of parking access to the lots and the high probability of damage to the Resort, owner or rental representative must provide a parking assistant for all entry into the Resort. There is no self-parking of any Coach by a non-owner guest. Prior to entrance into the park, the lot Owner or representative will ensure that coach standards are met, park rules have been furnished and the Resort's hold harmless agreement has been signed by the guest. After verification, parking assistant will then allow entry into the Resort and guide rental guest to their intended site, providing verbal instruction on the planned best entry to said lot. Parking assistant will provide spotting coverage of dangers and obstacles to the guest coach driver while providing the flagging guidance onto the Owners parking pad. Owner or representative will immediately furnish a copy of the Hold Harmless agreement to the Bigfork Motorcoach Resorts park management. Rental Owner is liable for all damage caused to Resort or other owners' property. All damage will be reported to the Resort management promptly and corrected. At no time will the Owner or Parking assistant use or allow the use of other owners drive or approach in the parking process to their lot.

Lot maintenance. As with each lot owner at the Resort, it is important to the parks reputation to provide a clean, maintained lot. Owner is responsible for ensuring the lot is clean, and any maintenance items are corrected.
